

MOTIVE POWER

Automotive Glass Technician

An automotive glass technician repairs, removes and installs glass and windshields in motorized and automotive vehicles.

Are you able to work indoors with noise and environmental conditions that can be dusty and dirty with exposure to exhaust fumes, dust particles, chemicals and solvents? Do you have good mental dexterity? Do you have the ability to stand for long periods of time? Do you like to learn new things?

MOST IMPORTANT ESSENTIAL SKILLS

- attention to detail
- communication skills
- customer service
